### POSTAL CUSTOMER

«Old\_Address»

«Old\_City» «Old\_State» «Old\_ZIP4»

<<SLID>>

Dear Postal Customer:

The [Wise County GIS Office](#) has recently assigned new addresses to many county residents in an effort to provide Enhanced 911 Emergency Response to its citizens. These change are necessary to support the Emergency 911 telephone system and improve the response time to any emergency you might have.

While it has not been necessary to change your address, we are attempting to verify your address in an ongoing effort to improve Emergency 911 citizen response. If you are receiving this letter, we simply need additional information from you to verify that your mailing address corresponds correctly to the physical location we have in our Geographic Information System.

To ensure that you receive the best possible service in the event of an emergency, please take a moment to call **1-800-525-0718** and verify your address. County representatives may ask you for your name, phone number, mailing address, SLID (Structure Location Identifier), and a brief description of the physical location of your home or business. Be assured that this information is not being used for any purpose other than the County's Emergency Response.

If you have any questions or need assistance concerning your address in [Wise County and this verification effort](#), please visit [www.wisecounty.org/911](http://www.wisecounty.org/911) or contact the Wise County GIS Office at **276-328-7110**.

Sincerely,

Jessica Swinney  
Geographic Information Officer
