**APPLICATION FOR LAND DISTURBING PERMIT
PART B**

The following general statements shall apply to all permits:

1. All projects shall conform to the minimum General Criteria expressed in the Virginia Erosion and Sediment Control Handbook, Chapter 3, unless a variance has been granted in writing by the County.
2. This permit must be kept on the work site and shown when requested.
3. The County must be notified when work commences and when the project is completed.
4. Other work (grading, excavating, construction) on the project shall not commence until the sediment controls are in place as specified on the plan.
5. Applicant agrees to be responsible for any and all damages to any other installations already in place as a result of work covered by this permit.
6. Applicant agrees to maintain the work in the manner approved upon its completion.
7. A permit may be denied any applicant, and all permits issued by the County may be revoked, whenever in the opinion of the Board of Supervisors or its designated agent, the safety, use or maintenance of the property so requires.

I, _____, certify that I have read and understand the
(Signature of Applicant) above requirements of this permit.

Section 7-14 of the Wise County Code requires that a Bond or Surety be posted with the County Attorney in the amount determined by the Code Official. Such Bond shall be conditioned to conform any work to approved standards, specifications and criteria as set out in the Approved Erosion and Sediment Control Plan.

Final inspections of the project shall be made by the Code Official. The release of bonds and sureties is contingent upon the findings of such inspections. Release shall occur within 60 days after disturbed areas are deemed permanently stabilized by the inspector.

The amount of such surety is hereby set at \$ _____ N/A _____.

The fee for plan review and inspection for this project is hereby stated to be
\$ _____ N/A _____.
