The Community Emergency Response Team (CERT) Program educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills.

CERTS act as volunteers assisting others in their neighborhood in the aftermath of a disaster when first responders are not immediately available.

Highlights

- Fire Safety
- Team Organization
- Light Search and Rescue
- Assist with evacuations and traffic control
- Disaster Medical Operations such as light first aid
- Promote community awareness of potential hazards.
