

Request for Proposals

**(Five) 5-Year Update of Existing Wise
County Solid Waste Management Plan**

The Wise County Board of Supervisors is seeking proposals from engineering firms to prepare a five-year update of the Wise County Solid Waste Management Plan. The scope of the work will include coordination of updated information from the Director of Public Works and the Recycling coordinator as it relates to changes in such information as well as evaluation of the value of current information being used.

The result of the proposal should be a more usable and dependable solid waste management plan that reflects the needs and desires of Wise County citizens to more efficiently process Wise County solid waste in an environmentally acceptable and cost effective manner.

Proposals should be submitted to Shannon C. Scott, County Administrator by 4:00 pm on Friday, August 30, 2013.

Questions should be addressed to Shannon C. Scott, County Administrator at (276) 328-2321.
